Mon, 05 Nov 2018 19:08:00 GMT Tensor Categories - MIT Mathematics - 1I wish to thank Prof. Pavel Etingof and his co-authors for adding technical notes to my historical monograph. While they have made a commendable effort at a concise exposition, their notes, unfortunately, have grown in size and in the end occupied a better part of this volume. I hope the reader will forgive this preponderance of

Electronic library ... - Executive Committee Member Professor of Mathematics Representation Theory, Quantum Groups, Noncommutative Algebra. Pavel Etingof received the M.S. in applied mathematics from the Moscow Oil & Gas Institute in 1989, and the Ph.D. in mathematics from Yale University in 1994.

Sun, 08 Jul 2018 03:58:00 GMT Pavel Etingof | MIT Mathematics - According to our current on-line database, Pavel Etingof has 21 students and 36 descendants. We welcome any additional information. If you have additional

information or corrections regarding this mathematician, please use the update form. To submit students of this mathematician, please use the new data form, noting this mathematician's MGP ID of 65974 for the advisor ID.

Mon, 05 Nov 2018 03:02:00 GMT Pavel Etingof - The Mathematics Genealogy Project - PAVEL ETINGOF AND VICTOR OSTRIK Abstract. We develop the theory of semisimplifications of ten-sor categories defined by Barrett and Westbury. In particular, we compute the semisimplification of the category of representations of a finite group in characteristic p in terms of representations of

mathematics ... a seemingly impossible thing as mathematical research in high school can actually be done. Sat, 15 Sep 2018 00:13:00 GMT Mathematical Research in High School: The PRIMES Experience - ON COTRIANGULAR HOPF ALGEBRAS By PAVEL ETINGOF and SHLOMO GELAKI Abstract. In an earlier paper, we proved that any triangular semisimple Hopf algebra over an algebraically closed field k of characteristic 0 is obtained from the group algebra $k[G]$ of a finite group G , by twisting its comultiplication by a twist in the sense of Drinfeld. In this paper, we generalize Sun, 11 Nov 2018 22:36:00 GMT On cotriangular Hopf algebras - Project MUSE - pavel etingof, mit A counterexample to the Poincaré-Birkhoff-Witt theorem I will give a counterexample to the Poincaré-Birkhoff-Witt theorem in characteristic p (but don't get too excited - in a tensor Sat, 10 Nov 2018 07:21:00 GMT Hopf Algebras and Tensor Categories COSTEL GABRIEL BONTEA ... - Download PDF.
