As you get to know the child you will be better able to understand what he or she

is communicating. If a child turns away or seems upset â€œ it may indicate over-tiredness, over-stimulation, or perhaps that the environment is too noisy. k Understanding Human Development - Manitoba - For some time we have noted that the title of this book, Understanding Human ComÂ-mrmication, is misleading in two ways. On one hand, the title promises too little. Helping readers understand the naÂ-ture of human communication is certainly one goal of this book.
