Veterinary Homeopathy
What is homeopathy?
Homeopathy is a distinct philosophy of medicine that has its roots in eighteenth century Germany, and subsequently spread to Europe, India, Australia, South America, the United States, and elsewhere.

Veterinary Homeopathy -
Complementary and alternative therapies, including homeopathy, have a definite place in veterinary medicine today. The public is demanding access to a full range of conventional and complementary therapies, and the best scenario is to have all therapies available, for there is a place and a need for ...
